

Hawk Glocal

Think Global, Act Local – Together We're Glocal

ABOUT US

Hawk Glocal is a company built on competitiveness, innovation, and trust. From production to customer, we deliver high-quality plastic packaging and sailing ropes, ensuring speed, consistency, and cost-effectiveness in every order.

The name Hawk Glocal is derived from the words hawk, global, and local. The hawk symbolizes courage, freedom, and vision. Global and local reflect our ability to operate worldwide while staying connected to local market dynamics. By combining these three concepts, we provide our customers with a bold perspective, a global vision, and strong local understanding.

Our mission is to be a reliable business partner, offering the best balance of quality, value, and sustainability. With an expanding product range, Hawk Glocal delivers innovative and competitive solutions, while building long-term trust and creating a positive impact for our partners.
